# Enroll for Courses and Assessments

- Select **“MY COURSES”** or **“MY ASSESSMENTS”**
- Check the box next to the desired course title
- Return to the **“MY COURSES”** page and launch the course module
- Return to **“MY ASSESSMENTS”** page to start assessment

The screenshot shows the Interskill Learning LMS interface. The navigation menu at the top includes HOME, MY COURSES, MY ASSESSMENTS, REPORTS, MY ACCOUNT, HELP, and LOGOUT. A blue arrow points to the MY ASSESSMENTS menu item. Below the menu, there is a 'My Courses' dropdown menu with options: My Courses, My Recent Activity, Learning Plans, and Digital Badges. The main content area features a banner for 'Power your Mainframe Career!', a 'MY COURSES' button, an 'AWARDED CERTIFICATES' button, an 'ENROLL FOR COURSES' button, and a 'LEARNING PLANS' button. A test message and a welcome message are also visible.

## Tips & FAQ

- You can take courses in any order and as many times as you wish.
- Dropping courses will not affect your training history.
- You cannot idle more than 2 hours within a module. If you extend this, your scores will not be recorded.
- Exiting a module will bookmark your last page, except in test areas.
- Do not attempt to open more than one module at a time.

### Mainframe Learning Plans

Are you unsure where to start? The Learning Management System offers structured learning plans that lay the foundations for technical competence in z Systems roles. [Click here](#) to view available learning plans (this link will open in a new window). Once you have enrolled in a learning plan, use the buttons under the **Take Module** column to launch a module. You may complete courses as many times as you wish and in any order you prefer, however we recommend you take them in the order presented.

**NOTE:** If you have not purchased all courses in a particular learning plan or you do not have access to the course enrollment feature, only the courses available to you will be listed below.

Select Desired Learning Plan and click Enroll

### My Course Enrollments

All courses you are currently enrolled in are displayed below. To commence or resume training, click the Take Module button to the right of a module title. If you need to leave a module early your progress will be saved and you can return to it at any time to continue. You may enroll in additional courses or remove courses from your enrollments using the Enroll/Drop Courses button. If this button is not visible, your course enrollments are managed by your training administrator. Please contact them for assistance.

**NOTE:** We recommend you take the courses within each curriculum group in the order they appear. Your access is unlimited so take courses as many times as you wish.
